Sub: Admission to PGP ML

Dear Viswa Vivek Tupakula,

We are excited to have you onboard the Post Graduate Program in Machine Learning and Artificial Intelligence (PGPML) by International Institute of Information Technology, Bangalore (IIIT-B) and upGrad.

So far, we are happy to see you engage in the first course with videos, lecture notes, assignments, live sessions and discussion forum. In the future courses, you can expect to cover advanced machine learning concepts, interesting industry examples and practice exercises in addition to the assessments.

This letter is a confirmation of your registration in the PGPML program (January 2019).

This letter can substitute for Institute-issued ID for most purposes. To avail the Institute resources and facilities such as IIIT-B library, please bring a copy of this letter along with an original identity proof.

Once again, welcome to the program and let us build an amazing community to learn and grow together!

With best wishes,

Professor Tricha Anjali  
(Program Coordinator, IIIT-Bangalore)

Mayank Kumar  
(Co-Founder & MD, UpGrad)
